Conversion Bearings for Dapol GWR Pannier

These bearings are designed to assist in the conversion of the Dapol GWR Pannier to 2FS. In addition to the bearings, you will also need:

- 3prs 9.5mm spoked driving wheels
- 3pcs Gear muff 3.0mm o/d for metric gears
- 3pcs Brass spur gear M0.3 20T 3.0mm bore
- 6pcs Flanged crankpins
- 6pcs Crankpin cap washers
- 1etch Replacement coupling rods for GF locos

A guide to the conversion is contained in the Feb 2016 edition of the 2mm Magazine – accessible through the members section of the 2mm website.
